

# Mitsubishi Grandis 2004- 70077

**This Dash Mount is designed for:**

Mitsubishi Grandis ..... 2004- ..... 2 x Airbag

**Location:**

Left side radio

**Tools Required:**

Phillips screwdriver., 8mm socketwrench

## Monteringsanvisning

**Steg 1 :** Trekk opp panelet rundt girspaken. Dette er klipset fast. Trekk panelet litt ned slik at du kommer til skruene som nå kommer til syne.

**Steg 2 :** Trekk så ut hele panelet slik at du kommer til den 8mm bolten som holder venstre dyse-enhet på baksiden. Trekk dyseenheten litt tilbake slik at du kan presse inn DashMountens arm mellom enheten og panelet. Skru så til igjen samtidig som du skyver DashMounten inn mot kanten av radioåpningen..

**Steg 3 :** Sett i paneler og skruer igjen i motsatt rekkefølge.

## Mounting Instruction

**Step 1:** Unclip the panel surrounding gearshifter. It is clipped on. Pull slightly down so that you can access the two Phillips-screws that appear.

**Step 2:** Pull the main panel out and loosen the bolt that holds the left airvent. grid on the back side of the panel. Pull assembly some out so that the arm of the DashMount can squeeze in between the ear and base. Tighten screw while pushing the DashMount against the sidewall of the radio opening.

**Step 3:** Refit panels and bolts in reversed order.

Correct direction of the rose pattern.

Do not use force when working with plastic components. Use extreme care not to scratch the interior of the vehicle. MTU may not be held liable for any damage to a vehicle connected to the installation.
