WARRANTY

Terms and conditions for Charge-Pit by Kram Telecom A/S products purchased in Europe.
This warranty describes the condition for the Charge-Pit Two (2) Year Europe Limited Warranty
This warranty applies for Charge-Pit products (each called a "Product") made by Kram Telecom A/S. Kram Telecom A/S warrants ("Limited Warranty") that the Product is free of defects in materials and workmanship at the time of its original purchase by the end-user (the "Customer" or "you").

What is covered by this warranty

All defects in material and workmanship. This Limited Warranty covers the functionality of the Product for its normal, intended use in an environment as specified in the User Manual only and does not cover malfunctions that results from improper or unreasonable use or maintenance, e.g. accident, excess moisture, improper packing, lightning, power surges, or unauthorized tampering, alteration or modification not authorized by Kram Telecom A/S. This Limited Warranty is limited to the repair or replacement of the Product at Kram Telecom A/S´s decision, and neither costs for transportation, removal, nor installation of a Product is covered by this Limited Warranty.

For how long

This Limited Warranty extends to TWO (2) YEARS from the Customer's original purchase of the Product.

What Kram Telecom A/S will do

If Kram Telecom A/S receives, during the applicable warranty period, a valid notice of a defect in any product which is covered by Charge-Pit's warranty, Kram Telecom A/S will, at Kram Telecom A/S´s option, within a reasonable time after being notified of the defect (a) repair the defect at no charge, using new or refurbished replacement parts, (b) replace the product or (c) refund the purchase price of the product. Response times may vary from country to country and is among other things subject to availability of parts and transport. All replaced faulty parts and components will become the property of Kram Telecom A/S. Kram Telecom A/S shall have no obligation to repair, replace or refund until the customer returns the defective product to the authorized reseller. Any replacement product may be either new or like-new, provided that it has functionalities at least equal to that of the product being replaced. Repairs outside the Limited Warranty period or of damages not covered by this guarantee will take place only with your prior approval.
How to obtain service

In the event of a Product defect, you should take the following actions:

1. Refer to the User Manual in order to identify and possibly correct the problem.

2. If the problem cannot be resolved by reference to the User Manual, please contact the authorized dealer where the Product was originally purchased to discuss your concerns.

3. If necessary, the authorized dealer will arrange for repair or replacement of the Product provided that you present the original sales invoice to document the date and place of the original purchase. The terms and conditions for a repair or replacement are subject to terms of delivery agreed between you and the authorized dealer to the extent the terms are not explicitly covered by this Limited Warranty.

4. Should all of the above fail, please get in contact with Kram Telecom A/S at www.chargepit.net or www.kram.dk

If you ship the Product, neither Kram Telecom A/S nor the authorized dealer is liable for damages to the Product caused during shipment. Thus, we recommend that you use the original shipping cartons for packing the Product. If these cartons are not available, we suggest that you use a strong cardboard box and sufficient packaging (for example Styrofoam, bubble wrap or similar) to provide at least 10 cm of packaging to fully surround the product.

Other Rights

This Limited Warranty does not affect your mandatory rights. This Limited Warranty provides you with specific rights subject to the specified conditions. You may also have other mandatory legal rights depending on in which country the Product was originally purchased. This Limited Warranty does not affect such legal rights and does not preclude any legal remedy you may have under the law.

Limitations of warranty and liability

The maximum liability of Kram Telecom A/S shall not exceed the purchase price originally paid by you for the product. Further, Kram Telecom A/S shall not be liable for special, incidental, consequential or indirect damages.

Privacy

There is no legal obligation on your part to provide personal information to Kram Telecom A/S or manufacturers of the Products. However, such information allows Kram Telecom A/S to maintain a record of the Charge-Pit products acquired and better understand the purchasers of our products. The information collected will be used for marketing purposes by Kram Telecom A/S and, where permitted, to contact you either in relation to the products you have acquired or other products which might be of interest from Kram Telecom A/S. The information that you provide may be processed in another country.
